Hello!

I'm Nilesh Mali, a graphic designer with 1+ year of hands-on experience in branding, social media design, UI/UX, Meta Ads creatives and video editing. I design posts, carousels, reels, banners, brochures and brand identity material for local businesses, and support the content planning and Meta Ads

EXPERIENCE

Aug 2025

– Present

Graphic Designer

Social Media & Digital Marketing

Redes Creation

- Design Instagram posts, carousels and reels that follow each brand's visual style.
- Produce banners, hoardings, brochures and business cards for local business clients.
- Create logos, brand creatives and visual identity material.
- Design ad creatives and support Meta Ads campaigns on Facebook and Instagram.
- Plan content and manage posting for Instagram and Facebook pages.
- Plan campaigns and content strategy for local businesses; support Google Business Profile (GMB).
- Edit reels and short promotional videos; assist with video shoots, photography and storyboarding.
